GUNDAREV, Maj. MOB

SECRET

1.- Information furnished by various sub-sources, i.e., A. Schlippe, Mr. Legrenu, of the French I.S. (evaluation F); GUNDAREV, the Soviet Repatriation Commission representative in Langenargen, is scheduled to return to the USSR shortly.

Sub-source, KISHKOYSKI, (eval. F), states that GUNDAREV is leaving behind a well organized Soviet intelligence chain under the direction of the secretary of the German Communist party a Mr. KUKOVICH. The Russian "assistant" to KUKOVICH is TRUNOV. (GULL will try to contact TRUNOV through KISHOVSKI as his cut out.)

2.- During the recent Franco-Soviet Repatriation Commission meeting at Lindau, GUNDAREV was not so much interested in questioning possible Soviet nationals liable to repatriation, as he was in minutely examining their papers. He often objected to Commandant ROCH, the French representative, that certain papers were forgeries. ROCH refused to accept these objections. All those agreed upon as "repatriable" were originally listed as having "voluntarily requested repatriation to the Soviet Union".

(NOTE by AB-102, This sounds very much like a smack at our "repatriation proceedings and 'L'affair NIKOLAI'")
